**LESSON SUMMARY:**

**Commendations:**

Holly has gone over + beyond in her preparation and delivery to the class. She has conducted tutorials in the morning + afternoon and is in complete control of her surroundings + students. She is well aware that teaching is not an 8 hour a day, 40 hour a week profession!!!

**Suggestions/Areas Needing Improvement:**

We have discussed + she has improved when she gets excited about her delivery she tends to go to NASCAR speed. Needs to slow down some!

**Goals for Next Week/Future:**

To continue to grow + prepare as the class becomes more demanding.
